

More than just broadband.

In addition to your broadband, Glide offer a wide range of supplementary services for all your academic and entertainment needs within your student accommodation.

Broadband & Wi-Fi

Phone

Talk to friends and family anytime, anywhere in the world using the free Glide softphone from your PC or laptop. Calls to other Glide users are completely free, and calls to UK and international landlines and mobiles offer extremely competitive rates. Upgraded Simply download the software and away you go!

Optional services

Glide offer AVG Internet, Security and PC Tune Up products from £10, up to 75% off RRP! Glide also offer an Unlimited Cloud Backup service for just £10 a year

Need a hand?

If you're struggling to get online, get in touch. We're available 24/7, 365 days a year.
